Sir,

With reference to your No.1323/Med.258-07-4 dated 6th August 1908, I have the honor to state that there can be no doubt at all about the letters having been forwarded by Major H.E. Drake Brockman I.M.S., and I took not the slightest exception to his doing so - all I wanted was to know in what capacity he was serving the State which entitled him to do so. I think it is only natural that I should be kept aware of the medical arrangements made in the State, and the conditions under which my own officers are serving.

I have the honor to be,
